

July 15th, 2026

Dear Valued Customer,

As you may be aware, STERIS acquired certain Gastroenterology (GI) products from CONMED in April 2026. STERIS will begin taking and fulfilling orders for the acquired CONMED GI products starting **November 2nd, 2026**.

As part of this acquisition, STERIS has made the decision to obsolete the following part numbers. These products will no longer be able to be purchased from both CONMED and STERIS starting **November 2nd, 2026**.

Some of these part numbers have a similar product that can replace the obsolete part number. You can find a full list of products, along with an available replacement product if applicable, below under Exhibit A. You can view all part numbers, descriptions, and purchase quantities in the table below.

We look forward to continuing to serve you and the needs of your patients. If you have any questions, please contact STERIS Customer Support or your local STERIS representative.

STERIS Canada Sales ULC can be reached at the below address:

Email: Canada_Resource@steris.com

Phone: 800-548-4873

Sincerely,

Michael McGrath

VP of Commercial Operations

STERIS Healthcare Canada

Exhibit A – Obsolete Part Numbers
