

July 15th, 2026

Dear Valued Customer,

As you may be aware, STERIS acquired certain Gastroenterology (GI) products from CONMED in April 2026. STERIS Canada Sales ULC will begin taking and fulfilling orders for the GI products that were acquired from CONMED beginning **November 2nd, 2026**. You can continue to place orders as you typically would for these products until this date. CONMED will continue to take and fulfill orders until then.

STERIS is committed to delivering satisfaction to our Customers by anticipating your needs and offering value, quality, and reliability that exceeds your expectations, along with dedicated support across our portfolios. Providing direct sales support of the CONMED GI products enables us to offer you a more diversified selection of products and services.

What Is Changing

Starting **November 2nd, 2026**, acquired CONMED GI products sold and invoiced by STERIS will be processed under the STERIS Canada Sales ULC.

To help you identify which products will be transitioning to STERIS, please see a full list of product numbers and descriptions below under Exhibit A. You can view all part numbers, descriptions, and purchase quantities in the table below.

In addition to the list of transferring product part numbers, there are certain product numbers that had to change. This is due to certain STERIS and CONMED GI products having identical part numbers, along with removing special characters such as 'dashes' (-) from product numbers. We are requesting that if you are ordering one of these products, you update your ordering system / item master files to add the new product number when placing an order with STERIS. See a full list of product numbers, descriptions, and new product numbers below under Exhibit B. Excel file containing these SKUs can be found in link above.

What We Are Requesting

1. Please update your ordering system / item master files for the CONMED GI products shown on Exhibit A to reflect the STERIS Canada ULC (GLN# 0724995110185). Any purchase order(s) for CONMED GI products will need to be submitted under STERIS

Canada Sales ULC moving forward. This will help ensure a smooth transition of orders once the change is in place.

2. Existing open purchase orders for the acquired CONMED GI products placed before November 2, 2026 will require a new purchase order with STERIS Canada Sales. This includes orders placed EDI. Replacement orders should be submitted through STERIS EDI connection beginning November 2, 2026.
3. Acquired CONMED GI products that contained special characters such as 'dashes' (-) in the product number have been removed. Update your ordering system to reflect the new SKUs prior to placing your first order for the acquired CONMED GI products.

Vendor Information

Effective **November 2nd, 2026**, CONMED GI products will ship from STERIS Canada Sales ULC headquarters. Address listed below:

STERIS Canada Sales ULC
88B East Beaver Creek Road, Unit 6
Richmond Hill, ON, L4B 4W2, Canada

How To Submit An Order:

All orders will be entered and managed by the STERIS Customer Operations Team. Purchase orders and order inquiries should be submitted to the following address:

Email: Canada_Resource@steris.com

Phone: 800-661-3937

EDI: <https://www.steris.com/about/business/ediConnect>

How To Submit A Payment To STERIS

Please find below electronic payment remittance instructions for STERIS Canada Sales ULC CAD denominated invoices:

Intermediary Bank: ROYCCATS, Royal Bank of Canada, Toronto
Beneficiary Bank: CHASCATTCTS, JP MORGAN CHASE BANK, N.A
Beneficiary: STERIS Canada Sales ULC
Account Number: 4650360101

Your local STERIS Consumables Territory Manager is also available to answer questions or place an order for you.

We look forward to furthering our business relationship with you and encourage you to reach out to us with any questions.

Sincerely,

Michael McGrath

VP of Commercial Operations

STERIS Healthcare Canada
