RE: PRODUCT DISCONTINUATION FOR RELIANCE™ TRANSPORT CART AND ACCESSORIES

Dear Valued Customer,

Effective immediately the following products will no longer be available. Demand for the Reliance Transport Cart and its accessories has reduced to a point where it is no longer viable to maintain the product in the portfolio set against increasing supply chain challenges.

Part Number	Description
RETCART01	Reliance Endoscope Transport Cart With 6 Bins/Lids
RETBAG01	Reliance Transport bags (200)
RETBIN01	Reliance Transport Bin

STERIS can provide an alternative Transportation System, the CleanaScope™ Transport & Short Term Storage System, available in both the CleanaScope and CleanaScope Advantage models.

To find the right transport solution for your needs or to ask any additional questions, please contact your local STERIS Account Manager.

Thank you for your continued support.

Sincerely,
