

9/4/2025

Dear Valued Customer,

This letter is to inform you that effective November 1, 2025, STERIS will no longer accept orders for the following products listed on the left side of the table below. You will need to update your ordering system to include the replacement items on the STERIS item master file, shown on the right side of the table.

Obsolete Products		Replacement Products	
Current SKUs	Current Item Description	Alternative SKUs	Current Item Description
100605	ENDOGATOR™ Hybrid Tubing, Olympus®, EGA500, 100115	4003166 & 100241	ENDOGATOR™ Hybrid Tubing, Olympus®, EGA500 ENDOGATOR™ Single-Use Auxiliary Water Jet Connector for Olympus® GI Endoscopes
100606	ENDOGATOR™ Hybrid Tubing, Olympus®, EGP100, 100115	4003168 & 100241	ENDOGATOR™ Hybrid Tubing, Olympus®, EGP100 ENDOGATOR™ Single-Use Auxiliary Water Jet Connector for Olympus® GI Endoscopes

STERIS is discontinuing the sale of these products based on the introduction and availability of alternative STERIS products that will meet the most current global standards and provide the latest technologies.

STERIS strives to deliver the highest level of Customer support in the industry. As part of that commitment, we want to provide you with notice of these product discontinuations. We recognize the impact that product obsolescence has on your operations.

If you have any questions or require further support, please contact your STERIS Sales Representative. We thank you for your continued business.

Sincerely,

Michael McGrath
Vice President, Canada
