Notice: STERIS Endoscopy (formally known as US Endoscopy) Portfolio Goes Direct in CANADA

Dear Valued Customer,

STERIS Endoscopy / US Endoscopy, a subsidiary of the STERIS Corporation, has been designing and producing innovative devices in GI Endoscopy for over 25 years, including the Exacto® cold snare, the Roth Net® retrievers and the eTrap® polyp trap. **We are pleased to inform you that the STERIS Endoscopy product line is now available to order directly from STERIS Canada Sales ULC.**

STERIS is committed to providing the very best products, services, and solutions to our Customers along with dedicated support across our portfolios. Providing direct sales and support to the STERIS Endoscopy portfolio enables us to offer you a more diversified selection of procedural and infection prevention products as well as services.

What we request from you moving forward:

For many Customers, STERIS Canada Sales ULC is already setup as a supplier. Please make note of the following:

1. We ask that you please update your ordering system / item master files for STERIS Endoscopy products to reflect the STERIS Canada Sales ULC (GLN# 0724995110185). Any purchase order(s) for STERIS Endoscopy products will need to be submitted under STERIS Canada Sales ULC (GLN# 0724995110185) moving forward. This will help ensure a smooth transition of orders once the change is in place. Annex A contains a list of STERIS Endoscopy products that you may currently be purchasing.
2. Effective immediately STERIS Endoscopy products will ship direct out of STERIS Canada Sales ULC headquarters. Address listed below:
