Cher client,

Nous vous écrivons pour confirmer que Medline Canada Corporation (Medline) distribue tous les produits de santé de STERIS Canada Sales ULC (STERIS) dans votre région ou autorité sanitaire, énumérés dans l'annexe ci-jointe, actuellement sous contrat avec STERIS. À mesure que notre partenariat se développera, d'autres produits seront ajoutés au portefeuille actuellement distribué par Medline. En effectuant tous vos achats pour les UGS énumérées par l'entremise de Medline, vous vous assurez qu'ils peuvent maintenir des prévisions exactes et des niveaux de stocks appropriés à l'échelle régionale et dans l'ensemble du réseau de distribution au Canada afin que les clients reçoivent les produits requis rapidement et dans les quantités requises.

Notre objectif est de nous assurer que tout est clair en ce qui concerne la meilleure façon d'acquérir les produits STERIS listés dans notre accord avec Medline, et nous espérons y parvenir grâce à cette communication. STERIS soutient pleinement Medline dans la résolution de tout problème lié aux commandes en souffrance ou aux retards de livraison, et toutes les pratiques de commande standard doivent être effectuées par l'intermédiaire de vos représentants Medline et de Medline en tant qu'organisation canadienne.

Notre contrat avec Medline vise à assurer une chaîne d'approvisionnement efficace, en minimisant tout manque à gagner lié à la demande de produits STERIS dans votre région. Medline maintient des stocks régionaux en main, ce qui vous permet d'acquérir des marchandises rapidement, efficacement et de façon rentable en les livrant avec d'autres produits de Medline qui arrivent à votre quai quotidiennement.

Nous vous remercions de votre confiance et de votre coopération.

Cordialement,

Michael McGrath
VP des opérations commerciales
