Dear Healthcare Partner,

STERIS Canada Sales ULC is pleased to announce that Canadian Hospital Specialities Ltd. (CHS) has been appointed as the exclusive Canadian distributor for Genesis™ sterilization containers and V Mueller™ instruments from STERIS, following STERIS's recent acquisition of these product lines from BD in August of 2023.

We are confident that this partnership will add value to your hospital and contribute to its ongoing success in delivering superior patient care. Please do not hesitate to contact your Canadian STERIS or CHS account representative with any questions you may have.

Thank you for your continued trust and partnership. We look forward to serving you in the days ahead.

Sincerely,
