

February 21, 2024

Dear Valued Customer,

This letter is to inform you that effective **December 31, 2024**, STERIS will no longer accept orders for the following product(s):

- **Liqui-Jet® 2 Instrument Detergent**
  - 103708 LIQUI-JET 2 (4 X 1 GALLON)
  - 103705 LIQUI-JET 2 (5 GALLON)
  - 1037P3 LIQUI-JET 2 (15 GALLON)
  - 103702 LIQUI-JET 2 (30 GALLON)

STERIS strives to deliver the highest level of Customer support in the industry. As part of that commitment, we want to provide you with advance notice of this product discontinuation.

We recognize the impact that product obsolescence has on your operations. Recommended alternative products for the Liqui-Jet® 2 Instrument Detergent are:

For Steam Sterilizer Chamber Cleaning:

- **Prolystica™ HP Neutral Manual Cleaner**
  - 1C2708 PROLYSTICA HP NEUTRAL MANUAL CLEANER (4 X 1 GALLON)

For Instrument Cleaning:

- **Prolystica™ HP Alkaline Automated Detergent**
  - 1C2010 PROLYSTICA HP ALKALINE AUTOMATED DETERGENT (2.5 GALLON)
  - 1C2005 PROLYSTICA HP ALKALINE AUTOMATED DETERGENT (5 GALLON)
  - 1C20P3 PROLYSTICA HP ALKALINE AUTOMATED DETERGENT (15 GALLON)

If you have any questions or require further support, please contact your local sales representative.

Sincerely,

Michael McGrath

Vice President, Canada
